Montana Old West Bucking Horse Company	Saddle Bronc	Stud	Eight	Four	Two outs with dummies, bucked hard, kicked good, even in the mud. The next two was one trip in the saddle broncs, and one in bare-back, he bucked both riders off, and kicked really well. We raised him from a colt, so he's gentle and easy in the chute and around the pens.
Montana Old West Bucking Horse Company	Saddle Bronc	Stud	Eight	Five	His first trip was in the saddle bronc , he kicked really good and powerfully, bucking off his rider, second trip was with a dummy, in the mud he bucked good, next was a ranch bronc trip, in which he bucked off his rider, bucking good again,next a trip in the Broncs and a trip in the bareback, bucking off both riders while kicking and bucking strong. He's a great herd stud raised with mouse Hall Ranch blood lines, really nice gentle horse in the chute and working pens
